NDSU Extension Program

Myra from the NDSU extension program, came in to talk to members about making educated decisions. One of her topics was the facts about vaping. She had the members talk about what they thought were true and what was false when it came to vaping. Many of the members said they learned a lot about the affects vaping has on your body.

VFW Picnic

We want to thank the VFW for organizing a fantastic picnic for the members. We would also like to say thank you to the Minot State women's wrestling team for playing a game of softball against the members! All of your efforts are deeply appreciated.

Thank you

Dear 2nd story Friends and Supporters, We are deeply grateful to each and every one of you who attended our meet and greet fundraiser. Your presence and generosity meant the world to us. Together, we have made a significant impact, and your support is truly appreciated. Thank you from the bottom of our hearts.
